

# SUPPORT CREW

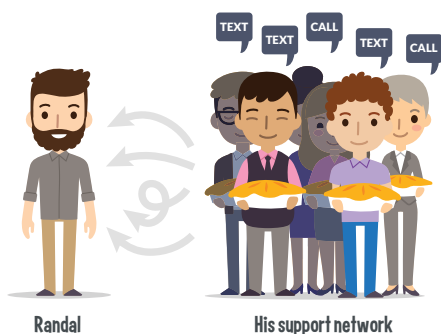

Making it easy to give and get a hand

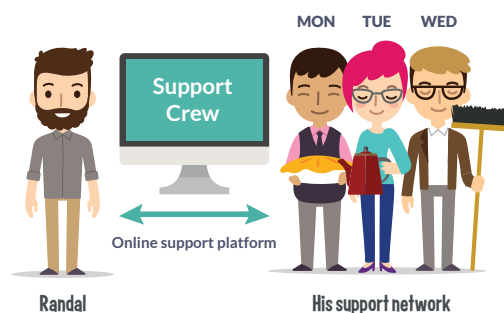

Create a **FREE** page at [supportcrew.co.nz](http://supportcrew.co.nz) to co-ordinate help from family and friends.

## What is Support Crew?

Support Crew is a **FREE** online support platform designed to help anyone dealing with a life event. Often at times like this everyone close to you wants to help, but they don't always know how.

Support Crew makes it easy to ask for the help you really need – and shows your loved ones exactly how they can help.

## A Support Crew page can help to co-ordinate:

### Practical help

- ✓ Meals & cleaning
- ✓ Transport to appointments
- ✓ Child care

### Emotional help

- ✓ Messages of support
- ✓ A phone call
- ✓ Someone to sit with you

### Financial help

- ✓ Funds for treatment costs
- ✓ House modifications
- ✓ Day-to-day expenses

Or any other support that's needed from the people who are looking for a way to help.

## How does it work?

### STEP ONE.

#### Create a Support Page

Anyone can set it up and it's fast and free!

### STEP TWO.

#### Invite your Crew

Invite your family and friends to connect and follow your Support Page.

### STEP THREE.

#### Ask for help

Use our templates to request help with anything from child care to transport.

### STEP FOUR.

#### Share updates

Share news, accept offers to help and manage visitors.

## How do I get started?

Ask one of your loved ones to set-up and manage your Support Page for you. They will likely be the ones keeping an eye on you anyway and will now have one place to manage all those offers of help.

Set up a Support Page for yourself or someone else at [www.supportcrew.co.nz](http://www.supportcrew.co.nz)
