

# MULTIPLE SCLEROSIS NEW ZEALAND STRATEGIC PLAN 2023-6

**Vision: The National Leader for Service Excellence in Multiple Sclerosis**

**Mission: Coordinating and leading the advances in best practice MS care**

## NATIONAL LEADERSHIP

- Support the capacity of our Members to deliver excellence in MS Care.
- Support people impacted by MS to live well
- Ensure the MS Community has a strong voice into governance and operational activities.

## ADVOCACY

- Advocate for Excellence in MS Care for all people impacted by MS, including those diagnosed, their carers and whānau at all stages of their MS journey.

## EDUCATION, INFORMATION AND AWARENESS

- Be the leading, trusted provider of MS information.
- Raise the awareness of Multiple Sclerosis.

## FUTUREPROOFING

- Ensure future organisational and financial sustainability.
