

# OCEANS HOPE CHALLENGE NZ

*Come and join us for a life changing sailing adventure!*  
*(no sailing experience necessary)*

Oceans of Hope is for people with MS, led by people with MS  
Our aim is to offer people the opportunity to experience sailing as a way of learning new skills and restoring the self-confidence which can be stolen by MS.

We will be sailing around the Hauraki Gulf on Lion NZ, a world class maxi-yacht.

There will be a skipper and crew to help you learn and ensure you get everything you want from this experience. Participants should be able to walk a few steps to access the boat and 6 steps (with rail) up and down into the boat interior.
